LIFE18 NAT/SI/000711

The first **LIFE AMPHICON international conference** is aimed to present the project activities and bring together **amphibian experts, researchers, academics, students, teachers and volunteers** to exchange challenges and address developments and perspectives on amphibian conservation.

In addition, the conference will be an opportunity for **networking with other LIFE projects** and similar projects focusing on amphibian conservation.

The conference will be held in-person and will feature **three sessions**:

**Session 1: CONSERVATION OF AMPHIBIAN SPECIES AND HABITATS**

**Session 2: AMPHIBIANS AND ROADS**

**Session 3: CITIZEN SCIENCE AND EDUCATION**

 VENUE AND DATE

The conference will be held at **Družbeni dom Grosuplje, Taborska cesta 1, 1290 Grosuplje, Slovenia** from **18 - 20 May 2022**. Please see the map for the exact location.
